

System Connection™ Design Your Custom Flat Ribbon Cable

Use the flat ribbon custom assembly form below to design a custom internal or external flat ribbon cable. Enter the length between connectors in inches. Indicate the connector type and orientation of each connector. Mail or fax the completed form to System Connection, Inc.

For additional information, please call a System Connection sales representative at **1 (801) 765-9857**.

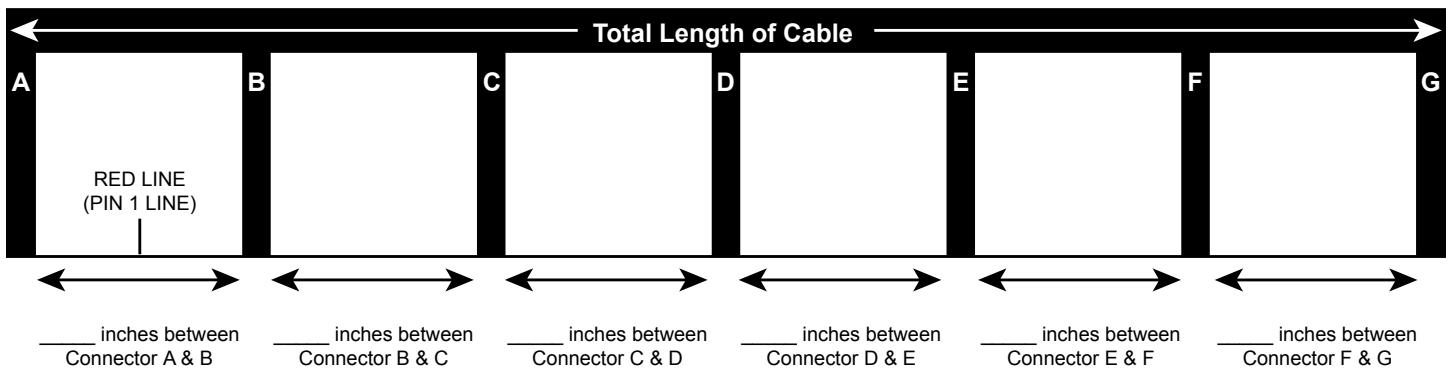

1. GENERAL INFORMATION

Name: _____ Date: _____

Company: _____ Phone: _____

Phone: _____ Quantity: _____

2. ENTER THE TOTAL LENGTH OF CABLE AND LENGTH BETWEEN CONNECTORS

Total Length of Cable in Inches: _____

3. INDICATE CONNECTOR TYPE, CONNECTOR ORIENTATION, & IF STRAIN RELIEF IS DESIRED

Connector A: Type: _____ Orientation: <input type="checkbox"/> Up <input type="checkbox"/> Down Strain Relief: <input type="checkbox"/> Yes <input type="checkbox"/> No	Connector B: Type: _____ Orientation: <input type="checkbox"/> Up <input type="checkbox"/> Down Strain Relief: <input type="checkbox"/> Yes <input type="checkbox"/> No	Connector C: Type: _____ Orientation: <input type="checkbox"/> Up <input type="checkbox"/> Down Strain Relief: <input type="checkbox"/> Yes <input type="checkbox"/> No	Use the list at right to determine Connector Type →	Connector types: 1. 50 Pin Socket (keyed) 2. 40 Pin Socket (keyed) 3. 34 Pin Socket (keyed) 4. 20 Pin Socket (keyed) 5. 50 Cent Male 6. 50 Cent Female 7. 50 Edge Card 8. 40 Edge Card 9. 34 Edge Card 10. 20 Edge Card 11. 50 Pin (non-keyed) 12. 40 Pin (non-keyed) 13. 34 Pin (non-keyed) 14. 20 Pin (non-keyed) 15. Other: _____
Connector D: Type: _____ Orientation: <input type="checkbox"/> Up <input type="checkbox"/> Down Strain Relief: <input type="checkbox"/> Yes <input type="checkbox"/> No	Connector E: Type: _____ Orientation: <input type="checkbox"/> Up <input type="checkbox"/> Down Strain Relief: <input type="checkbox"/> Yes <input type="checkbox"/> No	Connector F: Type: _____ Orientation: <input type="checkbox"/> Up <input type="checkbox"/> Down Strain Relief: <input type="checkbox"/> Yes <input type="checkbox"/> No
